

SUBMISSION

Deadline July 31st, 2009

PLEASE PRINT CAREFULLY

Please complete and forward to: **AGRI-TRADE AG INNOVATION AWARDS**
3017-50th Avenue, Red Deer, Alberta T4N 5Y6

1. Product or technology name with a brief explanation of what is new:
(Please use a separate form for each innovation. Use additional pages as required.)
(You may attach additional paper to provide greater detail.)

2. Describe what is innovative about the product by comparison with the previous state of the art.
(In other words, what makes it stand out against competitors?)

3. What are the special features / advantages? (Importance for practical applications, impacts on farm and labor management, the environment, the energy situation, effects facilitating work and/or safety at work) – Please state specific characteristic values!

The submission must include:

- The summary of the most important facts showing what is innovative
- Explanatory brochures, plans, diagrams etc.
- Photocopies or PDF's of test reports or certificates
- Analog or digital material suitable for use by the press

Declaration of commitment: (Please check each one)

- We have taken note of the Award regulations.
- We recognize the Guidelines for the award and set dates.
- We confirm that the product or service submitted will be shown fully operable at the 2009 Agri-Trade Exposition.
- We accept the decisions of the Committee as final.
- We are aware that any submission papers received after the deadline, any inadequately described products or any incomplete submission forms will not be eligible for consideration.
- All rights of publication for all picture material film material are transferred to Agri-Trade.
- We certify that we acknowledge the special promotional conditions for the award and furthermore that when using the award for advertising and promotion we shall observe the law on competition.
- Any recourse to a court of law is excluded.
